Non-fiction is an account or representation of a subject which is presented as fact. This presentation may be accurate or not; that is, it can give either a true or a false account of the subject in question. However, it is generally assumed that the authors of such accounts believe them to be truthful at the time of their composition.

Nonfiction Books - Goodreads

For non-fiction authors, you will want to consider how the book fits into your existing business, or how you can use it to build one. (6) Design and incorporate your funnel and back-end products A "funnel"™ is a way to direct your readers through a journey with you, preferably through your books, services and other products, so that they are a happy customer and you make a decent return.
